OUR GUARANTEE

We guarantee to replace all stock that fails to grow, at one-half price quoted in this price-list, providing same has been paid for at time of delivery, or a reasonable time thereafter. Stock must be planted and cared for according to our instructions. We take half the risk.

Our growing nursery stock has been inspected.

WE PLANT

In most cases our customers do their own planting, but we are in a position to do all work incidental to planting. We fill, grade, seed and plant at reasonable rates.

We make no charge for landscape plans when our stock is used. Ask for estimates.
